484 students enrolled age 3 through 12th grade

ACCREDITATION

Independent Schools Association of the Central States (ISACS)

MEMBERSHIP

National Association of Independent Schools (NAIS)

Dear Friend,

Each year, Columbia Independent School invites our greater community to support two of our signature fundraising events - the Spaghetti Supper & Funfest and The Gala.

There are many ways to get involved, including donating an auction item, purchasing an advertisement, becoming an event sponsor or underwriter, or simply attending and joining the fun.

The Spaghetti Supper & Funfest will take place on Thursday, November 19, 2026, welcoming more than 600 guests for an evening of games, activities, raffles, and live and silent auctions.

The CIS Gala, held on Friday, February 5, 2027, at The Country Club of Missouri, will bring together more than 300 guests for an elegant evening of dining and auctions. Proceeds from these events help support scholarships and flexible tuition at CIS.

Your partnership helps CIS continue to provide an exceptional education where students from age 3 through grade 12 are known, challenged, and inspired.

Thank you for considering supporting CIS and our students. For more information, please contact gala@cislions.org or the Office of Advancement.

With sincere thanks,

Fran Patrick
